GREAT FALLS HIGH SCHOOL ROUNDUP Volume 78

1900 2nd Ave. South Great Falls, MT 59405

true BLUE

Blue.

A True Blue.

A blue as enormous as the "Big Sky Country", with a pride and school spirit to match.

Not a tangible thing, but a tangible idea.

The idea which is still carried with our alumni, both old and new.

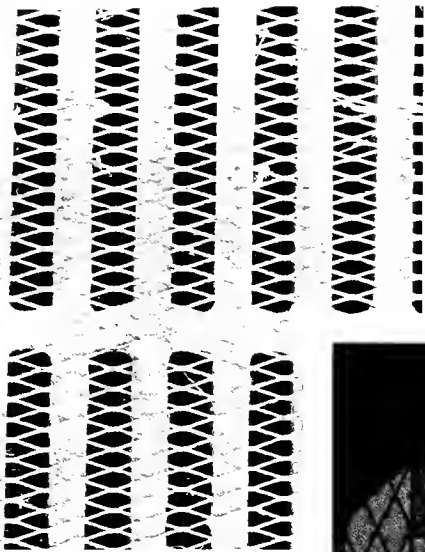

The idea which is there everytime a student enters a door of this beautiful school.

The idea which the seniors have mastered, the juniors know of and the sophomores are learning.

Sometimes things are so obvious in a building, they don't get noticed. Our photographers have tried to find these hidden spots that nobody acknowledges. How many of these places have you noticed or have memories of? These places are all part of this old school, but even with age this school still stands proud. This is where true blue pride starts.

Columbia blue and white are our school colors and they also create a pride among us. Look for the pride in our book this year. We sincerely hope that you enjoy it.

October 1, 1984

Bringing the alarm clock rings in my ear as my mind surfaces from the depths of dream-land. I snuggle under my covers and think about the day to come. It's a Monday! What an unappealing idea, but wait! There is something special about today that I am forgetting. Suddenly it dawns on me in the shower. I jump out of the shower, grab a towel and run to the laundry room. Ahhh! There they are. My trusty sweats. I hurry to get dressed and find my shoes as I pray that everyone else remembers that today is sweats day. I sure don't want to look like a slob.

October 2, 1984

Decisions, decisions! It's clash day and I'm standing in my room amid all of my clothes, trying to find a truly hideous outfit to wear. Maybe the green pants with my plaid blazer. I think to myself, maybe not.

October 2, 1984 continued...

How about my yellow and orange shirt with my gross purple pants. After 20 minutes of trying on weird, gross and bizarre clothing I figure that I only have 5 minutes to get to school. I pull on the first thing that touches my hands. 5 minutes later, I run into my first period class. All of my friends stop talking and turn to gape at me. I look at my outfit thinking they are staring at the breakfast I chowed on the way to school. But NOOOOOO! I am wearing my mother's lacy black negligee! I faint.

October 3, 1984

Today is dress up day. I decide to revenge my faux-pas of yesterday by dressing like a slob. Everyone finds it funny. So funny that they push me down the stairs. I end up in the hospital.

October 4, 1984

I spend the day recovering from my injuries. I miss blue and white day and the pep assembly. It was a lot of fun I hear.

On The Move

October 5, 1984

I got permission from my doctor to attend the Queen's Assembly. It was so great! The Queens were so beautiful and the Blue Notes sounded great. The talent section was so chock full of genuine talent. And the Chamber Singers! Superb! Then the drama presentation put the final "crowning" (excuse the pun!) touch on everything!

Queen Kelly Brennan escorted by Leif Nelson

Wendy Beckman escorted by Rodger Loftus

The night of October 5, 1984

I have just returned from the football game and boy am I pooped! After school was let out at 1:30, I went downtown to watch the parade. As soon as that was finished I rushed up to school to pork out at the barbeque. MMMMMMMMM!!!! What great food! Then I went to the stadium to participate in the funeral for the Broncs. Then the game began! It was so exciting but everyone was anxious for halftime. Finally halftime arrived. Our Queen was ... drum roll please ... Kelly Brennan. When halftime was finished the Bison took to the field to complete their victory over the Broncs.

On Thursday, June 7, 1984, the Class of 1984 bid a fond farewell to Great Falls High School. Tears were mixed with smiles, as the graduates, filed proudly into the Bison Fieldhouse to the sounds of "Pomp and Circumstance." After an Invocation by the Reverend Conrad Himmel, the Honorable Mike Greely, Attorney General for the State of Montana, presented an inspiring message to the class. After Mr. Greely's fine speech, Dr. Harold Wenaas, Superintendent of Great Falls Public Schools, presented the class and Mrs. Claudia Steen, the Chairperson of the Board of Trustees, awarded the diplomas to the seniors. As the strains of "March Militaire Francaise" filled the fieldhouse, the jubilant seniors tossed their caps high into the air. The 1984-85 Round-Up staff wishes every member of the Class of 1984 the best of luck in all of their future endeavors.

Posing with another graduate, Tom Herford stops for a picture.

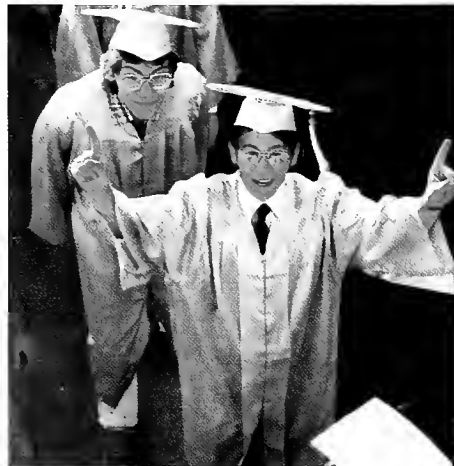

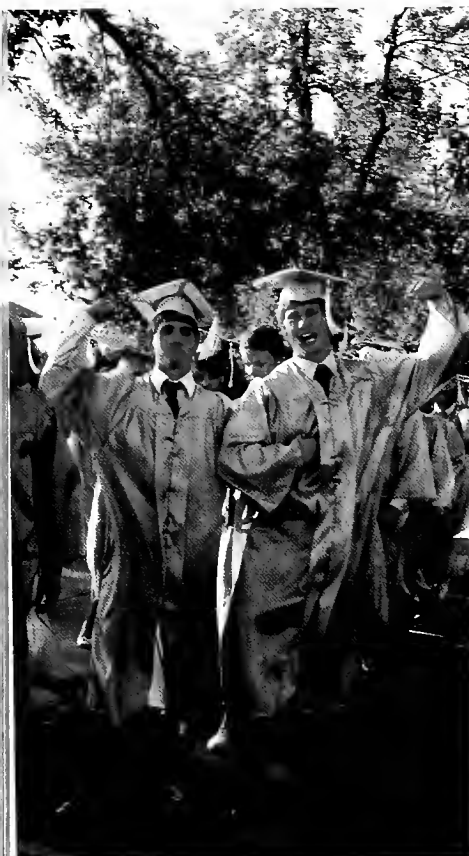

Being relieved, Kerstin Kempf shows us what a true graduate looks like.

Flashing those pearlies, Ross Johnson proves he is the man for 84.

Tonight's The Night . . .

Graduation - Class of 1984

Well, my friends, the time is here
To reminisce about the years -
To contemplate the things you've done
And think about how far you've come

Remember back to other grades -
The fun you had - your escapades?
Well, now you know there's that and more
The best, this class of '84

Everything now lies ahead
Down many paths you'll be led -
On to new lives you will go,
Yet won't forget the things you know

The memories will still be yours
Always, echoes, of these floors
And feelings for the times you've had
With teachers, friends; good and bad

Now, at last, you'll leave these halls
To venture forth, where future calls -
And as you're stepping through the door
Good Luck to class of '84!

Clutching her diploma, Callie Jenkins sheds a tear as she remembers her senior year.

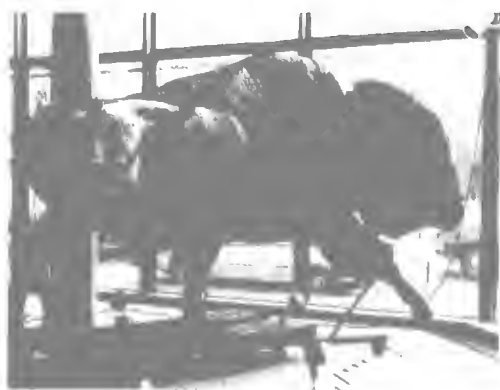

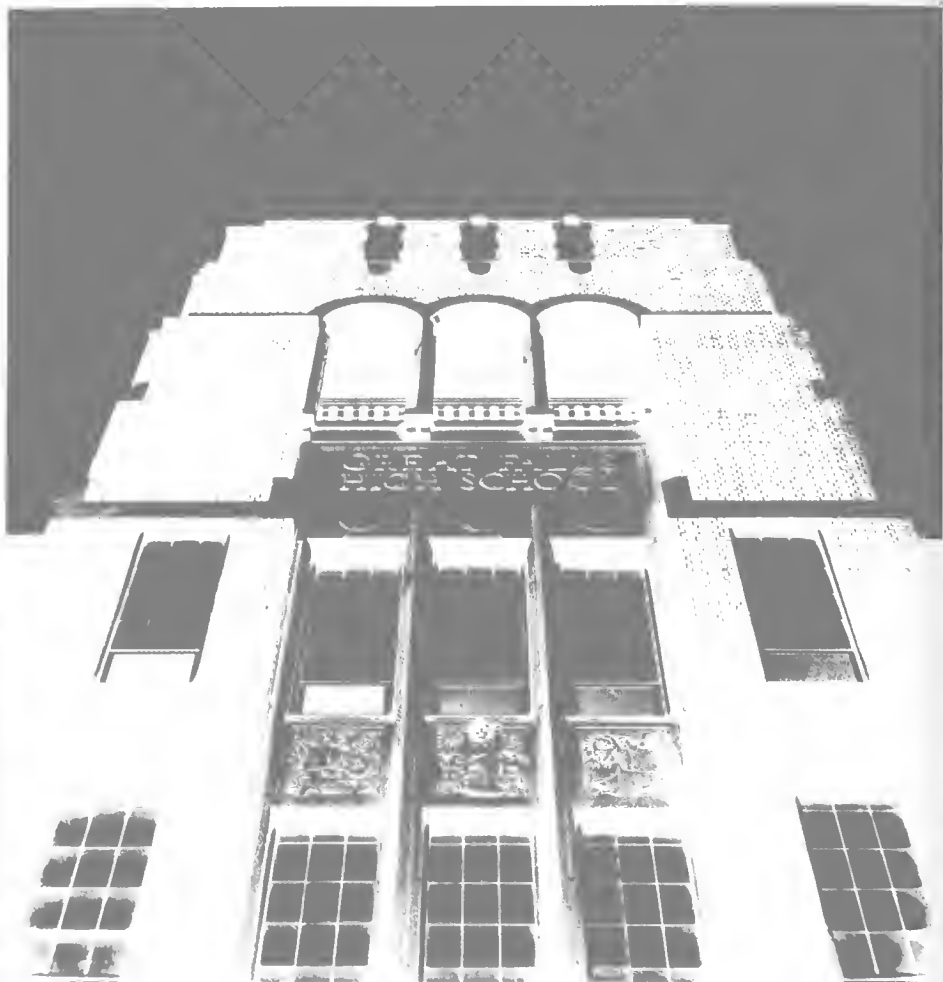

Mark Hanson and Dean Hansen show how mighty seniors are.

True Blue friends, Debbie Hoepfner and Maurice Hill wish the best to each other.

Is my cap on straight? asks Bridget Ryan.

KATHY IN TEN YEARS
 FROM THE TIME I FOUND OUT IT WAS
 THE TIMES THAT WE HAD OUR
 BEEN A PLEASURE. SEE LUCK,
 THINGS.

WELL DEAR, IT HAS BEEN UNREAL. FROM THE TIME I FOUND OUT IT WAS
 YOUR HOUSE I WAS IN. UNTIL THE TIMES THAT WE HAD OUR
 "MEMORABLE" DINNERS, IT HAS BEEN A PLEASURE. SEE LUCK,
 KEEP SMILING AND REMEMBER THESE TWO THINGS.

BETTER TO REMAIN QUIET
 AND BE THOUGHT A FOOL
 THAN TO SPEAK AND
 REVEAL ALL DOUBT.

Street Chic

Breakdancing. The word fills me with a terror that only a true klutz can feel. A terror that makes my mouth go dry and my knees shake like jelly. To a person who has a hard time walking, let alone trying to spin on her head at four zillion miles an hour, America's latest mode of dancing has left me a shaking bundle of nerves.

I was introduced to breakin' by my cousins on a recent trip back East. Bedecked in lightweight ballooning sweatsuits and wearing blinding white hightop leather sneakers, they "popped" and "locked" on the floor. Thinking that they were having some kind of convulsion, I rushed to get my aunt, who informed me that they were breakdancing. Thoroughly embarrassed, I gaped as my cousins performed death defying moves with names like "Suicide Windmill" and "The Kamikaze Twist." Soon they were begging me to try! Me! The girl who sprained her ankle doing the waltz! Heading to an almost certain death, I attempted to execute a move known only as "The Freeze." "The Freeze" consists of supporting yourself with your hands while raising your head and legs off the floor simultaneously. After severely injuring my wrists and suffering two concussions, I successfully "froze." Exhausted, I collapsed on the floor and listened to my bones break.

Well, I'll never be a Shabba Doo or an Electric Bubaloo, but I have my own dance routine now. Known only by my street name of "Kool Klutz", I do the "freeze" and then roll on the floor convulsed with pain, but nobody can tell that I'm not "breakin'."

Your Reach Can Be Longer . . .

Becoming Montana Miss T.E.E.N. was an experience that Kathryn Wells will never forget. "It has taught me to never be afraid to reach for my dreams," she said, besides giving her the opportunity to travel to Nationals in Albuquerque, N.M. and meet people from throughout the United States and from all walks of life. Kathi has had the opportunity to travel across Montana representing Miss T.E.E.N., she has enjoyed helping others through her volunteer work, especially her work with the March of Dimes. Kathi summed up the experience by saying: "Always be the best that you can be and don't be afraid to reach for your star."

Take It On The Road

I'd hear about it and I wondered how it was going to affect my parents. I'm talking about the "empty nest" syndrome, of course. From what I've read, its what happens to parents when their children finally leave home. The empty house does strange things to parents, leaving them to wander listlessly through the halls sighing and moaning about the "good ol' days" when the children were home. They cry most of the time and live for the children's visits.

I don't think that I'll have to worry about *my* parents. I first began to get suspicious when on the first day of my senior year, my mother came into my room and started to measure its dimensions. Curious, I asked her what she was doing. "Oh, just seeing if this room will accomodate all the new furniture? For what?" I asked. "Well, once you are out of here I'm going to convert this into an office for myself." With that she breezed out of the room. Two weeks later I knew that I was in trouble when I came home from school and all my clothes were in boxes. "What's going on?" I yelled. "Oh, I'm just helping you get packed for college," was my mother's calm reply. "Mother, I don't leave for college for another twelve months! Don't you think that it's a little early?" I screamed. "Not really," my mother answered. I don't think that my mother has heard of the "empty nest" syndrome.

Making An Impact

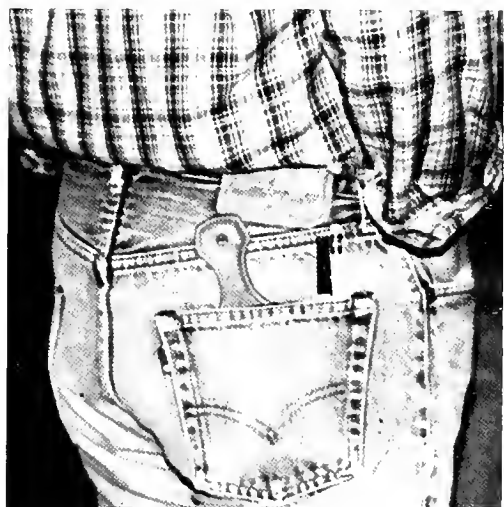

This year's crazes, phases, and fads were supported by neon shirts and socks, and those flooded look pants better known as crop pants. The guys' pants included Op's, pleated dress pants and once again Levi shrink-to-fits. The shoes for girl's were: slip-on's, penny loafers, elf-boots and the boat-shoe look. Most common among boys' shoes were top-siders, deck shoes, cowboy boots and naturally - tennis shoes.

Hair gel, bobs, spikes and tails were in this year. For girls, these hairdos were supported by long dangling earrings and very unusual belts.

Familiar expressions included "Have A Clue." and "Oh, Well!". And the Powderhorn was the familiar jacket to wear.

Name brands included Op, Espirit, Levi, Powderhorn, Cherokee, Rocky Mountain and Avia.

There were many familiar names back in 1984-85. **Van Halen** jumped to international stardom with their appropriately titled album **"1984."** **Twisted Sister** had another success with **"Stay Hungry,"** and **Quiet Riot** and the **Scorpions** came out with smashing releases in **"Conditions Critical"** and **"Love at First Sting,"** respectively. **Huey Lewis** told us all the news about **"Sports"** while **Lionel Richie** couldn't slow down. **Frankie Goes to Hollywood** relaxed, **Lindsey Buckingham** went insane, **Ratt** went around and round, **Madonna** thanked her lucky stars (as a virgin?), **The Pretenders** learned to crawl and **Culture Club** colored by numbers. **The Cars** had a top 10 album in **"Heart Beat City"** and **Prince** had the #1 album with **"Purple Rain."** **Bruce Springsteen** was the man to see in concert with a \$15 ticket and the **Jackson's** put on their most magical of all tours.

Outside the record industry, **Trivial Pursuit** was the hot game to be played. Meanwhile, the **Cabbage Patch** doll was the most wanted child's Christmas present.

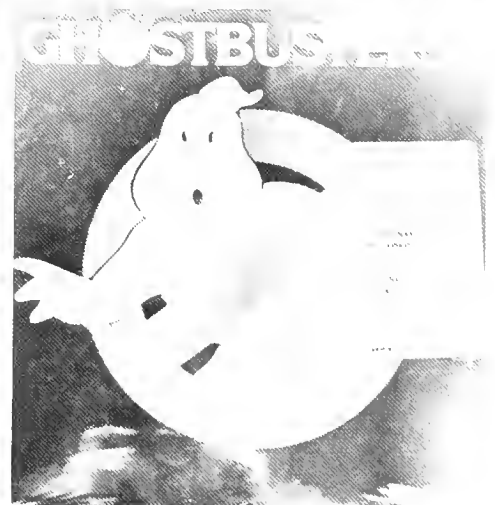

I was **"Born in the U.S.A."** in a very strange place. It was located in the **Country** near the **Sea of Love**. Often when it was hot, we would play on the nearby **Dune**. It was fun except for the **Purple Rain** that turned all our clothes funny colors. One day I decided to leave my home and go to where I could feel the **City Heat** and live **The Glamorous Life**.

After traveling **All Through the Night**, I finally arrived at the **Heart of Rock and Roll**. I saw **The Cars** and decided someone is **All I Need to Drive** me to a hotel. As if by **Magic**, a **Little Red Corvette** pulled up and the driver asked me if I needed a ride. I said "sure" and jumped in. We had gone three blocks when the driver said **"Let's Go Crazy!"** and started spinning **Round and Round**. I screamed, **"Cool It Now!"** but the driver kept spinning. Suddenly I heard a sound and - **Wham!** we had hit something. I heard sirens and soon a **Beverly Hills Cop** came up and said, "You've caused quite a **Scandal**, you've hit the car of a **Prince!**" Soon an ambulance came and took me to the hospital to get a **Spinal Tap**.

While recovering I saw many strange patients. There was a man who had **Eyes without A Face** and a young girl who could only be described as a **Twisted Sister**. Also a cute nurse told me **"Girls Just Want To Have Fun"** so we got married and lived happily ever after in **Panama** in an apartment infested by **Ratts**.

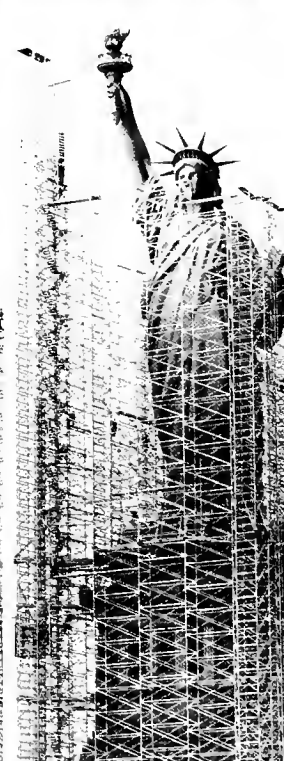

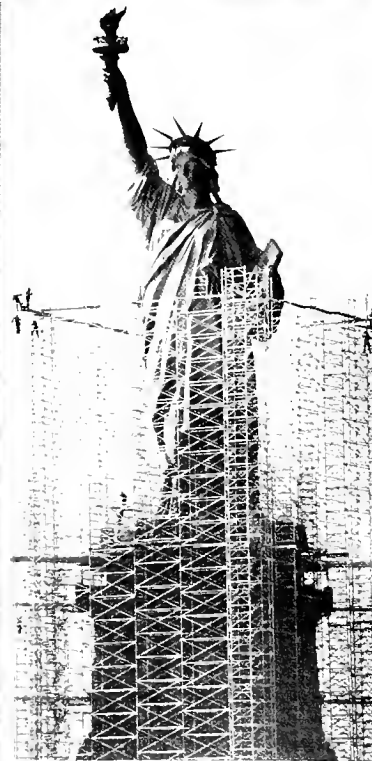

Busters

"Ghostbusters" was the top grossing movie in 1984. This off-the-wall comedy, starring Bill Murray, Dan Aykroyd, and Harold Ramis involved the capturing of ghosts-without being slimed. Filling the #2 spot was **"Indiana Jones and the Temple of Doom"** starring Harrison Ford. #3 on the list was another success by Steven Spielberg, **"Gremlins"**, involving creatures which should not get wet or eat after midnight, was a perfect movie for the whole family. #4 was **"The Karate Kid"**, a heart-warming movie showing the determination and will power of a young boy played by Ralph Macchio. **"Police Academy"** was a smash comedy hit filling the #5 spot. #6 was **"Footloose"** starring Kevin Bacon who danced his way to stardom. #7 was **"Beverly Hills Cop"**. This movie, which starred comedian Eddie Murphy as a Detroit cop who turns Beverly Hills on its ear, was released in early December and still broke several records for 1984. **"Star Trek III"** charted #8 with **"Romancing the Stone"** at #9. #10 was **"Terms of Endearment"**, the touching story of the relationship between a mother, Shirley McLaine, and her daughter, Debra Winger.

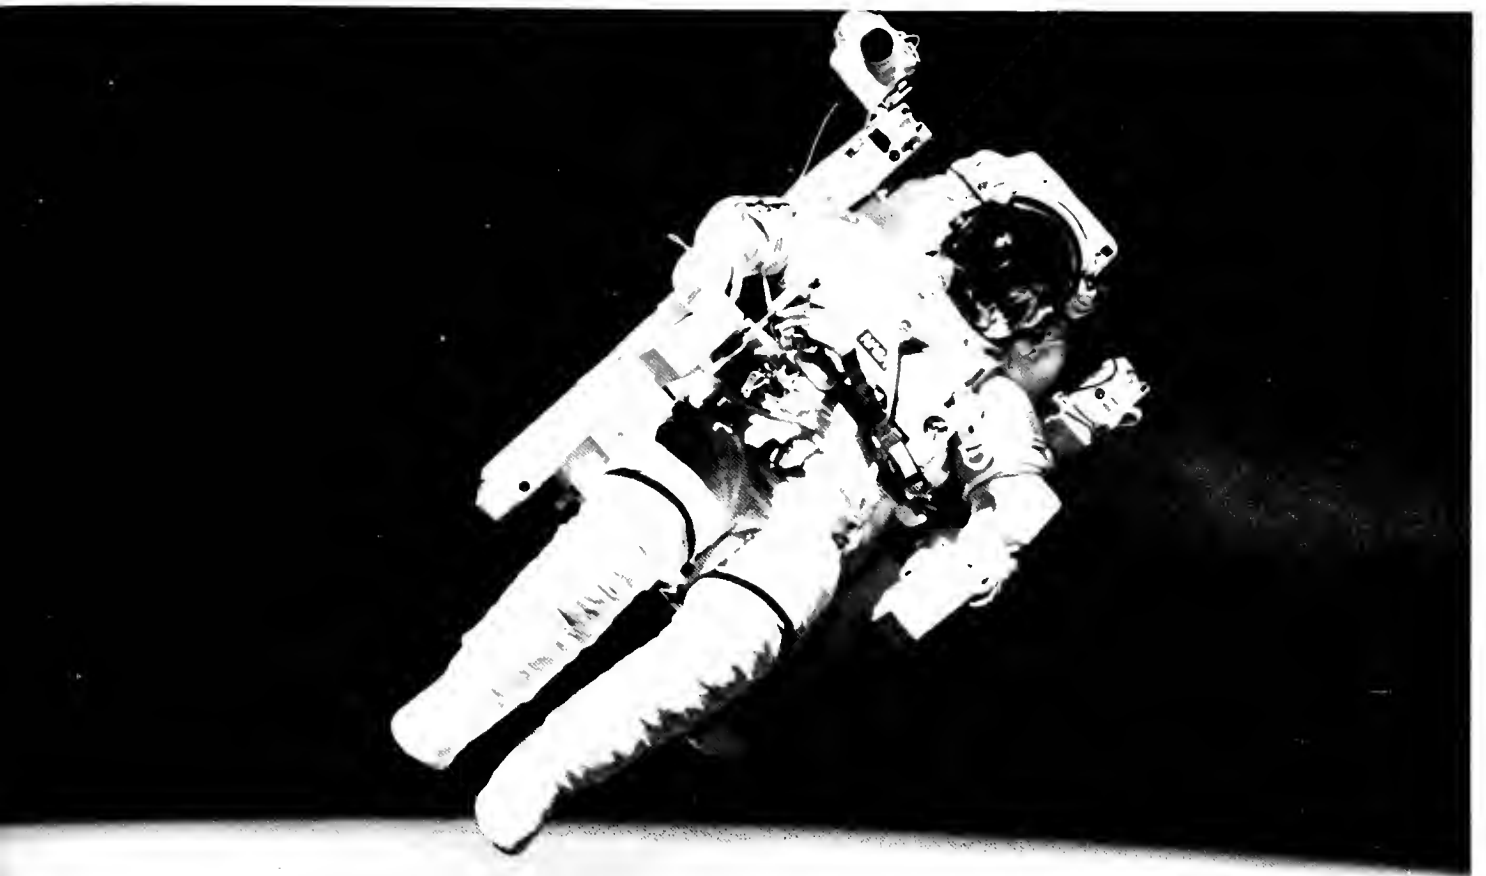

The Look Of 1984

President Ronald Reagan and Vice President George Bush sought and won re-election in 1984. They vowed not to raise taxes and ran on the record of the previous four years. Mr. Reagan and Mr. Bush won with the biggest electoral vote in the nation's history.

Democratic presidential candidate Walter Mondale made history when he chose a woman, Geraldine Ferraro, as his vice presidential running mate. Mondale and Ferraro announced early in the campaign that to lower the federal deficit increased taxes would be necessary.

The Statue of Liberty celebrated her 98th birthday in 1984 and she began to show her age. The statue was worn from constant pummeling by wind, salt air and acid rain, and the iron ribbing supporting the copper covering was badly eroded. A two-year restoration began in July 1984. It included a new gold-plated torch.

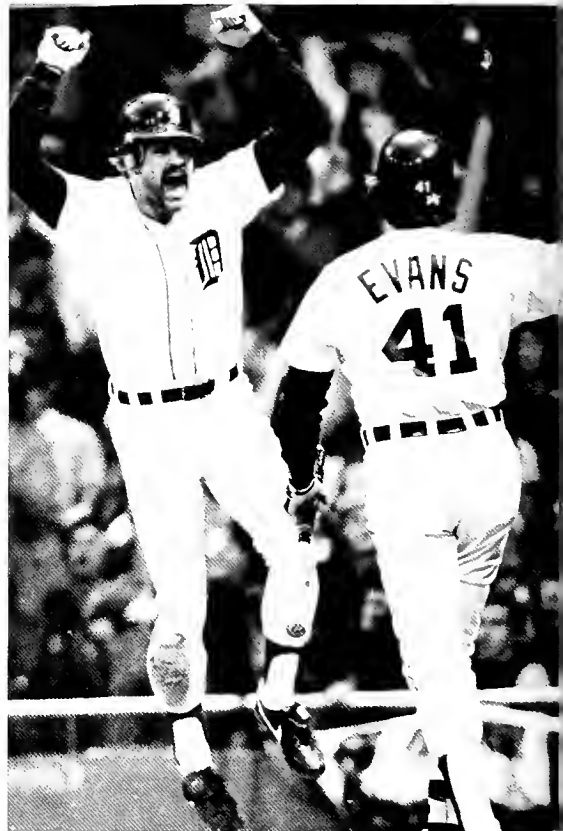

Princess Diana gave birth to Prince Harry in late 1984. The photo shows her with Prince Charles and their other son, two-year old Prince William.

Chicago Bear's Walter Payton eyes New Orleans Saints' Whitney Paul as he carries the ball on his way to setting the record for rushing. He broke the record of 12,312 yards held by Jim Brown.

Mission specialist Bruce McCandless takes a walk in space. Here he is seen using the so-called manned maneuvering unit as he moved away from the Shuttle Challenger during the eight-day space mission.

Portraits Of Things Great And Small

Michael Jackson conducted his Victory Tour to more than a dozen cities. The original ticket policy, which required fans to mail in \$120 postal money order for four tickets with no guarantee that they could receive tickets, was shelved after much criticism. The tour was an enormous success.

Robert Duvall received an Oscar for his role as a washed-up country singer who overcomes alcoholism in the film "Tender Mercies". Shirley MacLaine won for best actress and Jack Nicholson won best supporting actor as an eccentric mother and potbellied ex-astronaut respectively in "Terms of Endearment," which also won the best picture award. The photo shows MacLaine and Duvall the night of the Oscars.

The World Series in 1984 saw the Detroit Tigers beat the San Diego Padres four games to one. The photo shows Kirk Gibson of Detroit jumping for joy after scoring in game five. Darrell Evans is the on-deck-hitter.

The Winter Olympics in Yugoslavia saw the United States win four gold and four silver medals. Scott Hamilton won a gold in the men's figure skating and Steve Mahre won the gold medal in the Giant Slalom skiing event.

The United States did very well in the Summer Olympics, winning 83 gold medals, 61 silver and 30 bronze. Carl Lewis won four gold medals-the 100 meters, the 200 meters, the four x 100 meter relay and the long jump. Mary Lou Retton won the all-around gold medal and led the gymnastic team to a silver medal; she also won bronze medals for the floor exercise and the uneven parallel bars and took a silver medal for the vault. The Soviet Union and other Communist countries boycotted the Summer Olympics.

DECA

Fredrik Johanson

Thanks to the EFFS (Educational Foundation for Foreign Study), Fredrik had the opportunity to travel to America via Greenland and Canada. After making brief stops in Los Angeles and Salt Lake City, he arrived in Great Falls and was welcomed by the Tanberg family.

Swedish schools are very different from our schools. Students there begin school when they are seven and finish when they are sixteen. Afterwards, they can enter a Gymnasium, which is a middle school between high school and college.

Musically, Fredrick likes David Bowie and most pop music. He said that the radio stations in Sweden play the same type of music as they do in Great Falls. He likes movies like Chuck Norris's *Missing in Action*. His favorite food is beef and he even likes liver! When asked what his favorite American car is, Frederik replied, "Pontiac Fieros".

Michelle Steichen

Coming from the tiny country of Luxembourg, total population of 360,000, Michelle had the opportunity to travel to the U.S. through the AFS (American Field Service) organization.

The school system is very different there than here. Instead of the students changing classes, the teachers do! Michelle also said that students are not allowed to choose their own subjects and have twenty required courses each year. She commented that she really enjoyed the freedom we have in choosing classes. While attending GFHS, she particularly enjoyed drama and speech classes.

Some of Michelle's likes and dislikes include the American people, Montana and its mountains, schools and American cars. The only thing she really disliked was the 55mph speed limit. Her favorite "new" foods were pizza, tacos and ice cream. She also enjoys Crosby, Stills and Nash, Vangelis and the Alan Parsons Project.

Michelle had several problems with the English language at first. One embarrassing moment was when she told everyone that her country had a "Grand Duck" instead of the Grand Duke!

Taru Hakkarainen

Traveling under EFFS (Educational Foundation for Foreign Study), Taru Hakkarainen came from Tampere, Finland to Great Falls to live with her host family, Gale and Ann Theilman.

Finnish schools are very different from Great Falls High School according to Taru. They have 45 minute classes with an eighteen minute break. Their school days sometimes run from 8 to 12 in the morning or from 10 a.m. to 2 or 4 p.m. Some required classes are P.E., English and Swedish. Here, Taru enjoyed being able to choose some of her classes. She especially like aerobics, government and Spanish.

One new activity Taru tried during her stay here was water skiing. Some new foods she enjoyed were Mexican food, pies, and sausage, which she said was much saltier. Taru enjoys disco music and said that Country Western music was new to her and that she did not like it too much.

Taru had an interesting observation about American girls, saying that American girls are more conservative in clothing, wear more make-up, and do more things to their hair.

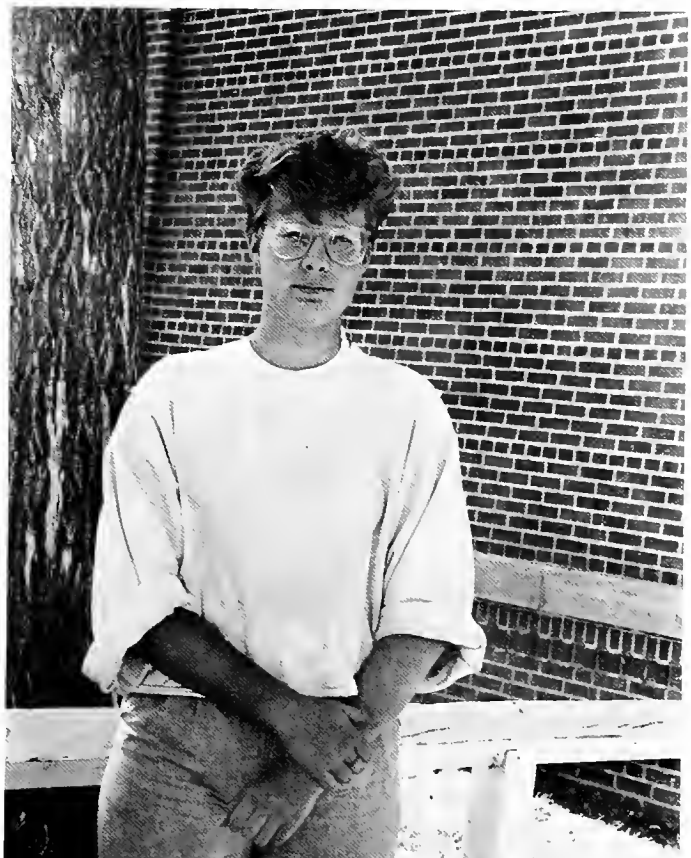

Marianne Pederson

Born and raised in New Jersey until the age of eight, Marianne now of Denmark, is no stranger to the United States. She was able to travel here through AISE (American Intercultural Student Exchange).

In Denmark each student is assigned to a class of approximately twenty-five students and this class stays together throughout their school years. Their class periods are 45 minutes long and they have a ten minute break. Marianne told us that the teachers are the only ones who go from classroom to classroom and that the students just stay where they are.

Marianne shared with us some of her views and likes about America and Americans. Her musical tastes run to the New Wave sound with her favorites being Depeche Mode and Yazoo. Some new cuisine that she has tried was Mexican food. One new activity that Marianne experienced was watching a baseball game. Some interesting observations that Marianne had about American girls were that they are extremely feminine and that it seems that their hair does not move when they shake it.

Thespians In The Spotlight

I'm Herbert by Robert Anderson

"Two old, old people are rocking on a porch in a pair of rocking chairs and talking. Just talking-and of course they don't know how funny they are! Each has had one or more previous marriages and perhaps a few flings, but they are hazy as to details. In fact, they don't always know which one the other one is!"

Black Comedy by Peter Shaffer

"In the dark" we see a girl bringing her wealthy father to meet her fiance, an improvident sculptor. To impress him the sculptor has both invited a wealthy art patron and stolen fine furniture from the apartment next door for his bare pad. In the end, the neighbors return too soon, the art patron is mistaken for an electrician, and a former flame watches the proceedings from the bedroom. "Great Slapstick."

Elwood P. Dowd, a lovable but eccentric fellow, whose best friend is a six foot tall white rabbit named Harvey, is the central character in this comedy. The 1984 football team came back from many early season injuries to end with an impressive 6-3 overall record and a 3rd place in the Eastern conference. The Bison lost two all-state returnee's in Greg Pizzini and Butch Beaudry, but made many sacrifices to be a state contender after 5 games. The Bison made much improvement defensively, while another all-state returnee Tyler Huber was back offensively. The seniors showed great leadership and many changes were made for the good of the team. Seniors Rodger Loftus and Mike Coates switched from Z back and running back to safety and full back, respectively.

Success Isn't Winning

In the early season, many people wondered just how far the 1984 GFHS Girls Basketball team would go. Throughout the season the girls showed much determination, and surprised many people around the state. After beating the #1 ranked Helena High Bengals on Oct. 18, the Bison were ranked #1 and on their way to a winning season.

The Bison were 12-2 in conference play and 15-3 for the season heading into divisionals. After the impressive victories the first two nights, the Divisional Championship Game was played in much the same fashion. The Bison beat the Helena High Bengals 52-74 and came home from Billings with the #1 trophy.

The state tournament held at Memorial Stadium was full of many upsets. After two tough games, the Bison fell short of victory against the Bengals in the championship game. The season ended 20-4 including victories against CMR all three times that they met.

After excellent records of 156-14 and 132-6, JV coach Nancy Walters and sophomore coach Gary Warhank will be leaving the basketball program at GFHS.

With a season record of 8-10 and an impressive victory over CMR, the boys basketball team placed third in Divisionals to make an unexpected trip to state. The squad was led by eight seniors, with good depth in the juniors and sophomores. Most frequently starting were: Gale Berry and Butch Beaudry as guards, Rodger Loftus and Mark Johnson as forwards, and Mike Janikula at center. The 1984 Electric baseball team finished an excellent season by beating the Chargers four out of five times, and placing 5th. in the state tournament held in Miles City. Earlier in the season they held a Fire Cracker Tournament in which they met the Junior Olympic Baseball Team. Although not winning the game they felt that they did not lose because of the experience and knowledge gained from playing the Olympic team. The key players this season, MVP Ken McKnight and starters John Spencer, Will Glenn, John Welk, Greg Bickle and Bob Berard contributed to the winning season. Fans also saw action from Jim Porter, Ted Lanier and Dane Wilson.

Foreign Languages

Sprechen Sie Deutsch? It was a must for anyone who was in the German club this year. This club provided the perfect opportunity for all persons who wanted to speak German or pursue knowledge about the German culture. Sponsored by Harvey Niemi, this club gave a boost to the student who spoke German fluently and also helped the student who was just learning.

Top to bottom L-R: Glenn Waddell, John Handa, Mr. Niemi, Debbie Hinch, Conley Lynch, Mike Edelberg, Marcia Culic.

Those who entered the Spanish club found that they were in for a real "South-of-the-Border" treat. The club was sponsored by Mende Forsyth and Debbie Kelly. The students found that they were in too many club activities to speak English. Activities included the building of the Homecoming float, potluck dinners, the French-Spanish soccer match and other language competitions and events. Their fund raisers included donut, nacho, candy and pinata sales.

Don't worry folks, they only look bored.

The French club, sponsored by Jo Russell, provided opportunities for French students to converse in French while enjoying dinners and other activities. Some of the students other functions were building the prize-winning Homecoming float, a few French movies, and other get-togethers with the other language clubs. Their fund raisers for the past year consisted of bake sales and dinners. Much planning went into the first FLAacademic competition in March. All of the members have a lot of joie de' vivre!

Civitan

Pam Mora, Jenni Labunetz, Art Walker, Mark Going, Rick Newton.

In June of 1984, five Great Falls High students- Mark Going, Rick Newton, Arthur Walker, Pam Mora and Jenni Labunetz- were selected to attend the Civitan leadership seminar held in Pocatello, Idaho.

While there, the students participated in several activities that ranged from bill-making to listening to presentations by lawyers, congressmen and various other community leaders. The participants lived in the dorms in the University of Idaho and also used the adjoining facilities including a swimming pool, weight room and basketball court. Other leisure activities included movies, tackle frisbee as well as a dance to wind up the week.

The students came from Idaho and Montana and by the end of the seminar, there was a definite community feeling which made it difficult to leave but everyone who participated will have happy memories as well as leadership skills to use for a lifetime.

A message from the new superintendent, Dr. Jerry Weast:

The memories recorded in this yearbook will serve you for a lifetime because they represent not only the joys of friendship and activities but also the culmination of dreams and goals. The pride of what you have accomplished is safely preserved in its pages. Try to remember and utilize the spirit of cooperation and dedication that enables you to work together, achieving a common goal and promoting a common spirit at Great Falls High School. Strive to retain the youthful characteristics, spontaneity, and curiosity that requires you to challenge your minds and discover alternatives. And remember always that the quest for education continues throughout a lifetime.

- Heat for cooking, baking and clothes drying
- 24 hours emergency service for your gas appliances
- A clean and efficient product delivered to your home sight unseen 365 days a year

Alan Gallegos died February 17, 1984.

ODE TO ALAN

When you lose a friend,
Some people may think the pain has no end.
But what everybody should know,
Is that this friend would want us to grow.

He would want us to accept his death
In such a way
That he will be in our hearts and thoughts
Each and every day.

The absence of Alan
A well loved friend
Lets us know
That life does come to an end

God chose Alan
Because his job was done
And also to show us
That one day we will all be one.

So when you think of Alan
Think of his smile
Think of the way he'd want us to be.
So next time, let's really think for awhile.

In fond memory of my
friend Alan Gallegos.

We were there!
We ate and ate
and didn't care!
Pizza, Fritos and cola galore
Pink lemonade gum
Till we could swallow no more!
We do it yearly
And we'll do it more
Cause every time is better than before.
We also went fishing with Beaver Creek near
And the firecrackers

Sounded
As we were in fear!
We'll keep in touch
And always stay near
And when we unite
We'll go have a cheer??!

As the end grew near of our strenuous year
The staff was showing signs of relief
For a moment please look at their grief
The year behind was a plus
Take a look at us
The deadlines really took their toll
All this to reach the goal
And present this yearbook to you!

Well-hey baby- we have had some very mem-
orable times this year, huh? Especially w/
Scotty! Remember Bananas at the Prime
Cut - or that one Sunday I will prob-
ably remember for the rest of my
life! Scotsons was also an experience,
even though - not a very good one! You're
a very special (seriously) person. - we
must party together before I leave!
(No Strawberry's though, please!) Everytime
I hear Bryan Adams I think of
you - (sob) - and every time I hear
the Thompson Twins I think of how
much you & Ray note that song!
Well - just hoping you realize
what a super friend you have
been for me - You taught me
a lot about myself!!! Hey - enough
of that - I'll see ya on Aug. 19
and we'll have a good time Italian
Style! Love ya Lets you old Hatchet!

Chrissy Lindstrand

 what you might
 think, I like you.

Kathy,
 Every year, I look
 for someone to insult. You're
 the lucky one for the
 85-86 school year. I didn't
 mean all those things I said,
 (only some of them)
 See ya next year!

Lewis Race

P.S. You can pick your
 friends, and you can pick
 your nose, but you can't pick
 your friend's nose!

Kathy,
 Hi, I live here! (Jokes)
 Oh well, it's been great
 knowing you this year!
 Have an excellent
 summer,

Regan

My Dearest Kathleen →

I would say something about Ray, but...
Honey, there's no words I can put together to say
what I ~~feel~~ feel about you. You can make me laugh
enough to pee, (behind the trailer - in our mud pie)
and the next moment you have me so mad and
irritated that I could pull my hair out!!
I remember jerking across 104th on
3rd Street in 3rd gear. Bawling. Our eyes out in the
trailer, "Don't worry, Kath, were snapped in!!" "Hi, Kim
Kathy, I live here!" "Kaw, kaw!!" - Beamer!! - And the most
irritating one of all - "Why?" - UGH!!

Well, Sweetie, your big ol' Sophomore
year didn't turn out half bad. - Maybe even good!!?
Hang on - your high school fun hasn't even begun!
Be good! - Remember - If you ever need help, go to the
Guy Pictured on pg. 175. - Middle picture, - Not Erving! -
Not Tyler. - Mr. Paul is great. - He wants to help anyone!
A Love You, Kathy - Always, Susan
